Bios:

SHORT

As expert sourcers and recruiters, IQTalent is revolutionizing the recruiting game.

Founded in 2009, we strive to create a better way for organizations and candidates to find a match. Unlike traditional recruiting agencies, we augment in-house recruiting teams, serving as their expert recruiting partner.

MEDIUM

Founded in 2009, IQTalent was created with a focus on creating quality relationships.

Over a decade later, we've grown exponentially, thanks to our expert industry knowledge and the demand for flexible, on-demand recruiting. Our team of highly-skilled candidate sourcers and recruiters focuses on results while partnering with in-house hiring teams to connect organizations with the high-quality talent they need.

LONG

IQTalent's recruiting and sourcing specialists are here to disrupt the recruiting game. As your on-demand recruiting partner, we act as an extension of your internal team, delivering you high-quality candidates in a fraction of the time. For over a decade, IQTalent has focused on creating valuable relationships between candidates and recruiters. Our adaptable and scalable model grows with your company, supporting you when you need it, and not when you don't. With transparent services focusing on candidate research, sourcing, and full-cycle recruiting at the professional, executive, and board level, we help our clients generate a strong talent strategy, leading to the achievement of overall business objectives.

Company/Background:

IQTalent is a technology-powered Talent Acquisition firm specializing in recruitment at all levels. Through two distinct brands – Caldwell and IQTalent – the firm leverages the latest innovations in AI to offer an integrated spectrum of services delivered by teams with deep knowledge in their respective areas. Founded in 2009 and merged with Caldwell in 2020, IQTalent was established with the mission to offer a better way for organizations and candidates to find a match. Through an on-demand business model, IQTalent acts as an extension of a client's internal team with services including candidate research and sourcing through to full recruitment at the professional, executive, and board levels. Together with Caldwell, the company also offers a suite of talent strategy and assessment tools that can help clients hire the right people, then manage and inspire them to achieve maximum business results.

IQTalent Executive Team Bios:

David Windley

As an experienced leader in the talent acquisition and human resources fields with more than 30 years of tactical success in leading corporate talent divisions and companies, David Windley currently serves as the President of IQTalent. David is responsible for overseeing the strategic direction, business development, and day-to-day activities of IQTalent. His previous experience includes executive-level human resources roles with organizations including Silicon Graphics, Inc, Intuit, Microsoft, Fusion-io, and Yahoo! Windley serves on the executive boards of Caldwell Partners, Tennant Company, and the DHI Group.

Tom Milic

Tom Milic serves as a Vice President of Account Management and Business Development in addition to co-founding IQTalent. He focuses on planning, implementing, and strategic forecasting of all business development activities. A renowned leader in the finance industry, Tom manages all client operations while overseeing corporate growth opportunities for IQTalent. He brings a broad level of experience, previously working for JP Morgan and Health Care Service Corporation, where he served as a Senior Investment Analyst focused on fixed income investment portfolio management. Tom is a graduate of Vanderbilt University.

IQTalent's Value Statement:

Our on-demand model augments your internal recruiting team, offering the recruiting you need when you need it. **IQTalent works to create real value for your organization by acting as a partner, delivering you quality candidates efficiently and effectively.** By offering a fully transparent process where all the candidate data is yours to keep, the value of our service pays dividends well beyond the length of the engagement.

IQTalent Products and Services:

Research

IQTalent provides our clients with world-class research and insights that can be used to transform their recruitment and hiring strategies. The areas of research we focus on include:

- **Strategic Recruitment Research:** Navigate high-growth areas, challenging requirements, and hiring spikes with fact-based advice.
- **On-Demand Pipeline Sourcing:** Discover where top talent is coming from and build a pipeline of high-quality passive candidates.
- **Scale Up:** Lean on IQTalent's on-demand recruiting services when our researchers find more candidates than your internal team can handle.

Candidate Sourcing

Through our unique Diamond Recruiting method, our team of expert sourcers can help you to cut your time-to-fill and focus on hiring the best talent available. Our team acts as an extension of your internal hiring team, ensuring the candidates you hire are excellent fits within your workplace culture.

Professional Recruiting

Our recruiters leverage the expert knowledge of IQTalent and our world-class sourcing engine to find, scout, and source interested, qualified candidates. When you invest in our advanced recruiting technology and expert team, you can enhance your recruitment process, strengthen your hiring strategy, and build out the best team possible.

Executive Search

IQTalent supports your internal hiring team by providing on-demand executive search and sourcing, enabling you to expand your team and extend your reach. You can count on our team of experts to deliver you a list of top candidates, ranging from CTOs to CEOs, generating lasting value for your organization.

Diversify by IQTX™

Diversify by IQTX™ works to create a more diverse talent pipeline for your organization by finding qualified, underrepresented talent. In combination with our team of experts, our advanced AI can search databases to locate and identify passive talent that can transform your recruiting strategies and strengthen your DEI efforts.

IQTalent Xchange

IQTalent Xchange is your one-stop shop for finding qualified passive talent. When you join our Talent Xchange network, you'll gain access to a talent marketplace of more than 700 million professionals, instantly expanding your talent pool. That's the future of talent exchange: an effective, affordable, and efficient approach to finding passive talent.
